Editor's Note

Ever have a skein of yarn speak to you? Walking up to the yarn shelves, lined with textured wools and cottons coated in colors and shimmery threads, one catches your eye and you think: this is it – this is my next project. But what will you create? This is the challenging part – finding the right pattern. And this is how yarn stashes quickly get out of control. Afterall, how can anyone say no to a beautiful skein of yarn that's begging to be turned into something spectacular? Enter: *I Like Crochet*.

Featuring hundreds of patterns from designers all over the world, our archive is the perfect place to spark some inspiration. And once that inspiration hits, the next step is to form a plan. Introducing our special gift to you: an easy-to-follow, printable project planner that includes space to track your project plans, notes and progress all in one place. Plus, we've included some printable gift tags and helpful knitting abbreviations for quick and easy access. Print the whole planner to start – then simply reprint pages 5-8 to bulk up your planner with additional projects. The number of projects you create in a year is up to you!

With this planner from *I Like Crochet*, we hope to help organize and inspire. We can't wait to hear what you're working on!

Guidelines only: The above reflect the most commonly used gauges and needle or hook sizes for specific yarn categories.

** *Lace weight yarns are usually knitted or crocheted on larger needles and hooks to create lacy, openwork patterns. Accordingly, a gauge range is difficult to determine. Always follow the gauge stated in your pattern*

*** *Steel crochet hooks are sized differently from regular hooks—the higher the number, the smaller the hook, which is the reverse of regular hook sizing.*
